Culinary Arts
Through the Culinary Arts Program, students in the first year will learn basic recipe reading,

measuring and the use of equipment. Students will also learn an overview of Baking, and Pastry Arts. In year two, students will choose which specialty area they are most interested in pursuing. They will choose either the Culinary or Bakery Pathway to continue in the CTE Program. In year two, students in Culinary and Baking will complete the SerSafe program. Through years two and three, students will learn restaurant or bakery operations, run the in-school restaurant or bakery, and continue to increase recipe knowledge, including world cuisines and baking techniques. Students will prepare for entry level employment or prepare for continued studies in the culinary field at postsecondary learning institutions.

Bloomberg Workplace Mentoring Program

Big Brothers Big Sisters of Mercer County matches employees from Bloomberg with students from the Finance and/or Marketing Pathways. The goal of this program is to create and

manage a successful one-to-one mentoring program that enriches the lives of students by assisting them in achieving their highest potential as they grow to become confident, competent and caring individuals. Students will be exposed to the Bloomberg work environment and develop a trusting bond with their mentor. Internships and other opportunities may be available to some of the students participants in this program.
